The defendant, within or around the County of Clark, on or about the 19th day of January, 2025, did, willfully and maliciously, use his motor vehicle as a weapon to strike and cause severe harm to three individuals. The defendant struck GurkaCreed twice, first reducing his in-game health from 100/100 to 69/100 and subsequently to 57/100. While driving recklessly, the defendant also struck RaiderPelinal, endangering his safety and causing harm. As the defendant fled the scene, he struck BlackadderIsMyCity, further demonstrating malice and disregard for safety. The defendant's repeated actions of driving across lanes, targeting individuals with his vehicle, and striking victims multiple times indicate deliberate intent and malice. The motor vehicle, as used by the defendant, is an object capable of causing severe harm, and the defendant's actions caused substantial injury to the victims.

Following this collision, the defendant crossed both lanes of traffic in an erratic

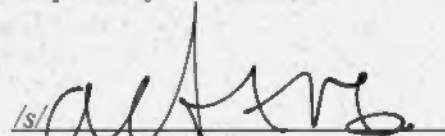

manner, striking RaiderPelinal, a Union of Columbia Postal Inspector. The defendant ignored repeated attempts by GurkaCreed to obtain his identity and subsequently struck GurkaCreed a second time, reducing his in-game health further to 57/100. Finally, as the defendant was leaving the scene, he struck BlackadderIsMyCity, a Clark County Sheriff's Office Deputy. Despite causing these injuries, the defendant failed to stop, render aid, or provide his identification, instead fleeing the scene of the incident.

COUNT THREE:

The defendant, within or around the County of Clark, on or about the 19th day of January, 2025, did operate a motor vehicle in a manner that endangered the lives of pedestrians and violated multiple traffic laws. The defendant failed to maintain his lane of travel, crossing both lanes of traffic without justification, in violation of § 1202. He made dangerous and abrupt lane changes without signaling, in a manner any reasonable person would find unsafe, violating § 1222. Additionally, the defendant drove at speeds significantly below the posted 50 miles per hour speed limit, hindering and impeding the normal flow of traffic, in violation of § 1208. These combined violations created a dangerous environment, culminating in the defendant striking GurkaCreed twice, as well as striking RaiderPelinal and BlackadderIsMyCity, demonstrating reckless disregard for the safety of others.

AFFIDAVIT OF PROBABLE CAUSE

Your affiant, Solarlabs, is a Sergeant with the Clark County Sheriff's Office, Criminal Investigations Division ("CID"). Currently, I am tasked with investigating criminal activity within the County of Clark. As a Sergeant of the Sheriff's Office Criminal Investigations Division, I am empowered by law to conduct investigations, make arrests, and engage in activities related to the enforcement of the criminal statutes as outlined in the Mayflower State Code. I have been employed with the Sheriff's Office since November 12, 2024, and have extensive experience in law enforcement. My role involves investigating violations of state criminal laws, including serious offenses such as murder, assault with deadly weapons, and firearms violations.

The facts in this Affidavit are derived from my personal observations, training, and experience, as well as information provided by other law enforcement agents and witnesses. Additionally, I have reviewed various records, reports, and video evidence to compile this affidavit. This statement is submitted for the purpose of establishing probable cause in the case against HenryJahan and is not intended to include every fact known to me or other investigators in the case.

INTRODUCTION

I, Solarlabs, acknowledge that this is a statement made in support of the summons of HenryJahan, pursuant to Mafl. R. Crim. P. 2(3). The facts and information in this statement are based upon my training, experience, participation in investigations, personal knowledge, and observations, and the observations of other investigators involved in this investigation. This statement contains the information necessary to support probable cause for a summons and is not intended to include every fact and matter observed by me. I make the following statement in support of establishing probable cause:

STATEMENT OF FACTS

On or about the 19th day of January, 2025, as documented in Exhibit A, the individual identified as GurkaCreed was walking just outside of Woodbury Township when a vehicle swerved off the road and crossed both lanes of traffic, striking GurkaCreed and reducing his in-game health from 100 to 69. After this initial impact, the vehicle continued to drive recklessly, crossing back over both lanes of traffic and

endangering the life of Union of Columbia Postal Inspector RaiderPelinal. GurkaCreed requested the driver to identify themselves, but when no response was provided, he attempted to confirm the driver's identity himself. He identified the driver as Union of Columbia Postal Inspector HenryJahan. After this identification, the defendant, HenryJahan, proceeded to strike GurkaCreed with his vehicle a second time, further reducing his in-game health to 57. As the defendant began leaving the scene, he struck and injured Clark County Sheriff's Office Deputy BlackadderIsMyCity.

The defendant's conduct constitutes one felony count of 1 M.S.C. § 2306, "Felony Hit and Run." By striking multiple individuals with his vehicle, causing significant injury, and subsequently leaving the scene without stopping to provide his information or assist the victims, the defendant violated his legal duty to remain at the scene of an accident. The victims' attempts to engage with the defendant for identification purposes were ignored, and he fled without offering any assistance or explanation for his reckless actions.

Additionally, the defendant's behavior warrants one felony count of 2 M.S.C. § 1213, "Felony Reckless Driving." While operating his vehicle, the defendant failed to maintain proper control and crossed multiple lanes of traffic unsafely, violating 2 M.S.C. § 1202, "Failure to Maintain Lanes." He failed to signal his lane changes and drove in a manner that any reasonable person would deem unsafe, which constitutes a violation of 2 M.S.C. § 1222, "Dangerous Lane Change." Furthermore, the defendant drove at a speed well below the posted speed limit of 50 miles per hour, impeding the flow of traffic and violating 2 M.S.C. § 1208, "Impeding Traffic." These multiple traffic violations, coupled with his failure to exercise care while driving, demonstrate a clear pattern of reckless conduct that endangered the lives of others and resulted in physical harm to three individuals.

The defendant's actions also meet the criteria for one felony count of 1 M.S.C. § 2303, "Aggravated Battery." The reckless operation of his vehicle resulted in the intentional striking of three individuals, one of whom, GurkaCreed, was struck twice, causing significant harm as evidenced by the reduction of his in-game health from 100 to 69 and later to 57. The repetitive nature of the defendant's conduct—deliberately driving back and forth across the lanes and striking the victims multiple times—demonstrates clear intent and malice. Any reasonable person would recognize these actions as capable of causing severe harm, further solidifying the aggravated nature of the

battery.

CONCLUSION

Based on the evidence provided, there is probable cause to believe that the defendant, HenryJahan, committed felony hit and run, felony reckless driving, and aggravated battery. His actions resulted in significant injury to multiple individuals, demonstrated a willful disregard for public safety, and reflected an intent to cause harm through reckless and malicious vehicular operation.

Affiant declares under penalty of perjury that everything stated in this document is true and correct.
